

Application Serial No.: 10/560,941
Docket No.: 26281-13A

Art Unit: 1796
Examiner: G. E. Webb

REMARKS

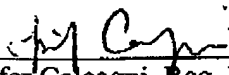

This Amendment is being filed after the Notice of Allowance. Applicant respectfully submits that this amendment merely corrects formal matters and does not change the scope of the claims in any way and does not require any substantial amount of additional work on the part of the Office. Additionally, Applicant respectfully submits that the amendment does not require any additional searching or examination.

Specifically, while reviewing the file wrapper in preparation for payment of the issue fee, Applicants' representative noticed that the Examiner did not attach a copy of the initialed Information Disclosure Citation form submitted by Applicants to either the Office Action mailed on January 3, 2008 or to the Notice of Allowability mailed on July 9, 2008. However, the Image File Wrapper available on Public PAIR contains the Examiner initialed Information Disclosure Citation form.

Applicants respectfully request that the Patent Office issue a supplemental Notice of Allowance to acknowledge the Information Disclosure Statement submitted by Applicants so that Applicants' file wrapper is complete.

Early and favorable action is earnestly solicited.

Respectfully submitted,
